

JS1001 BBA Global Business

Alexandra Mak

Cohort 2017 (Class of 2022) / Bank of America

To talk about Global Business is to talk about one big family who's very supportive to one another. You can find all sorts of dreams and ambitions in this major. No matter which stream of career you choose, the professors and peers will always try their best to help you. The exchange programs exclusive to the major also added many colors to my university life and opened doors to various adventures! I made a smooth transition from one industry to another, thanks to the help and sharing of my peers. It is definitely the best place to be if you want to pursue a business major at City University of Hong Kong!

CityUHK GBU is a phenomenal program that caters to some of the most exceptional students. You will study in a global environment surrounded by classmates from all around the world. Moreover, the major is designed to help you develop your own unique skillset in anything from coding to finance through taking a double major. The major allows you to travel around the world through study trips and exchanges and enables you to be a part of the close-knit community that is GBU. You will make lifelong friends while simultaneously developing sought after skills all on an international stage.

Admission FAQs

Q. What are the unique features of this major?

A. To nurture BBA Global Business students as global elites, students are offered Triple Exchange opportunities, one of which is compulsory (either in North America or in Europe or in a country of student's choice as a graduation requirement). There are plenty of resources and challenges for students to develop as global leaders, e.g. study tours, scholarships, executive mentorships and global consultancy projects. Students can explore and realise their dreams globally.

North America

- University of Toronto*
- University of Minnesota*
- University of British Columbia
- Indiana University
- University of Wisconsin-Madison

Europe

- University of Mannheim*
- University of Leeds*
- University of Warwick
- Bocconi University
- Copenhagen Business School

Students could select from the 200+ exchange partners for their exchange studies. * Exclusive quota for GBU Students

For more information, please visit: <https://www.cb.cityu.edu.hk/exchange/>.

BBA Global Business students have the opportunity to apply for admission to the Joint Bachelor's Degree Program between City University of Hong Kong and Columbia University. Upon completion of this joint degree program, students will receive bachelor's degrees conferred by both Columbia University and CityUHK. For details, please visit <https://cityu-hk.gs.columbia.edu/>.

Q. Do I need to attend JUPAS admission interview?

A. An interview would be scheduled around June for shortlisted applicants only. All band A applicants will be invited to join the interview while students of other choices will be invited subject to availability of interview places. Interview is not a must but it will **SIGNIFICANTLY** increase students' chance to join the programme if they fall into the marginal JUPAS 3+2 score range with 'Attained' Level for the subject of "Citizenship and Social Development".

Q. Is there any scholarship available?

A. College of Business and CityUHK are committed to nurturing elite students to become future business leaders. Various scholarships are available, for details of the scholarships, please visit: <https://www.cb.cityu.edu.hk/ug/admissions/apply/scholarships>.

Q. Where do students end up with their graduation jobs and summer internships?

A. We encourage our GBU students to explore their career paths and craft one that they feel most passionate about. As such, our students have secured graduate positions or summer internships in a diverse set of industries both locally and internationally. Some examples include, in alphabetical order:
