(4) College Elective Requirement

Students are required to take 3 courses from the College Elective list

For students declaring second major, 9 credit units of College Elective will be exempted. These 9 credit units can be used to fulfill the second major requirement.

If students fail to complete the second major requirement in the end, they are still required to complete the College Elective requirement mentioned above.

(5) This course will be scheduled in May/June and is conducted in the form of a 7-10 day study tour.

(6) Students are advised to go for exchange study in Sem 2B or 3A.

(7) CB4605 is a two-semester (6 credits) course. Students taking CB4605 will be exempted from 1 major core course.

(8) CB4604 and CB4605 can be used to fulfil the internship/ consultancy project/ research project requirement.

(9) For BBA students, in the case that the same course being offered in the Major and in College Elective, the credit units earned will count only once, for fulfilling the Major requirement, then for fulfilling the College requirement. Students have to take another College Elective course to make up for the freed credit units. Students are responsible for ensuring the College and Major requirements being fulfilled to obtain graduation qualification.
